Details

International Consultant - ELA Strategic Level Certified - UCID Council Member

CHM - International Company Consulting

January 2014 – nowadays Torino (Italy) - Rabat (Maroc)

In my daily activities, i take care of all the aspects necessary for a correct introduction of the Companies/people intend to invest or improve theyr job in the new Country.
I'm particularly skilled for the relationships between Italy and Morocco/Gabon, Countries where I have very important personal relationships with people able to open the doors for Serious investors.
I started to work in Africa on 2011, April; with an important Italian constructions Builder. This Company has now very good results, and I am mature to share my experience with new potential investors. Of course I approach only serious Companies that really intend to develop teyr business following the correct rules.
Durind the time I spend in Italy, I continue to perform my previous job, consisting in cooperation for Supply Chain system development/improvement and teaching all the aspects of the Supply Chain.

Consultant and trainer
